ELEANA

A Design and Marketing Solutions Company

Easy Menu Changes

Free and easy menu editor

Regain control over your business operations. Without waiting on developers or paying hefty fees for every tiny change.

Instant live deployment

When you're done updating your menu, simply save your changes. They will be instantly mirrored to your POS & restaurant website.

Seamless Payments

Next-gen swift & secure payment device.

Your customers' payment data is processed in an ultra-secure environment.

Simple.

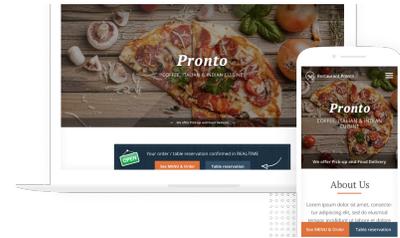

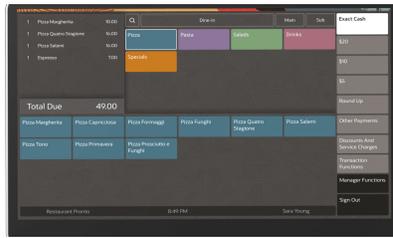

Quickly set up and manage your POS, website, and payments all in one location.

Data Consistency

Daily Financial Reports

With the in-store-analytics-for-restaurants report, you can finally say goodbye to crunching numbers yourself. At the click of a button, you are able to get a quick overview.

One Simple Monthly Plan **\$49.99**

per location
